

## **LAMBSON LIMITED**

### **QUALITY POLICY**

Lambson Limited is committed to providing its customers with innovative solutions in the field of performance products, including the development of new products. We continually strive to improve our product range and our methods of working to ensure that customers receive the highest level of service commensurate with their requirements.

To achieve this we take measures to ensure that we comply with all applicable regulatory and statutory requirements and enhance customer satisfaction by application of an effective Quality Management System that meets the requirements of ISO9001:2015.

This includes:

- Setting and monitoring objectives for maintenance and continual improvement of the Quality Management System,
- Defining roles and responsibilities for all employees,
- Providing suitable training and skills development,
- Communicating this policy and objectives to employees, and
- Reviewing the system for its continuing suitability.
